In Dedication To

MR. Ralph B. Weinrich

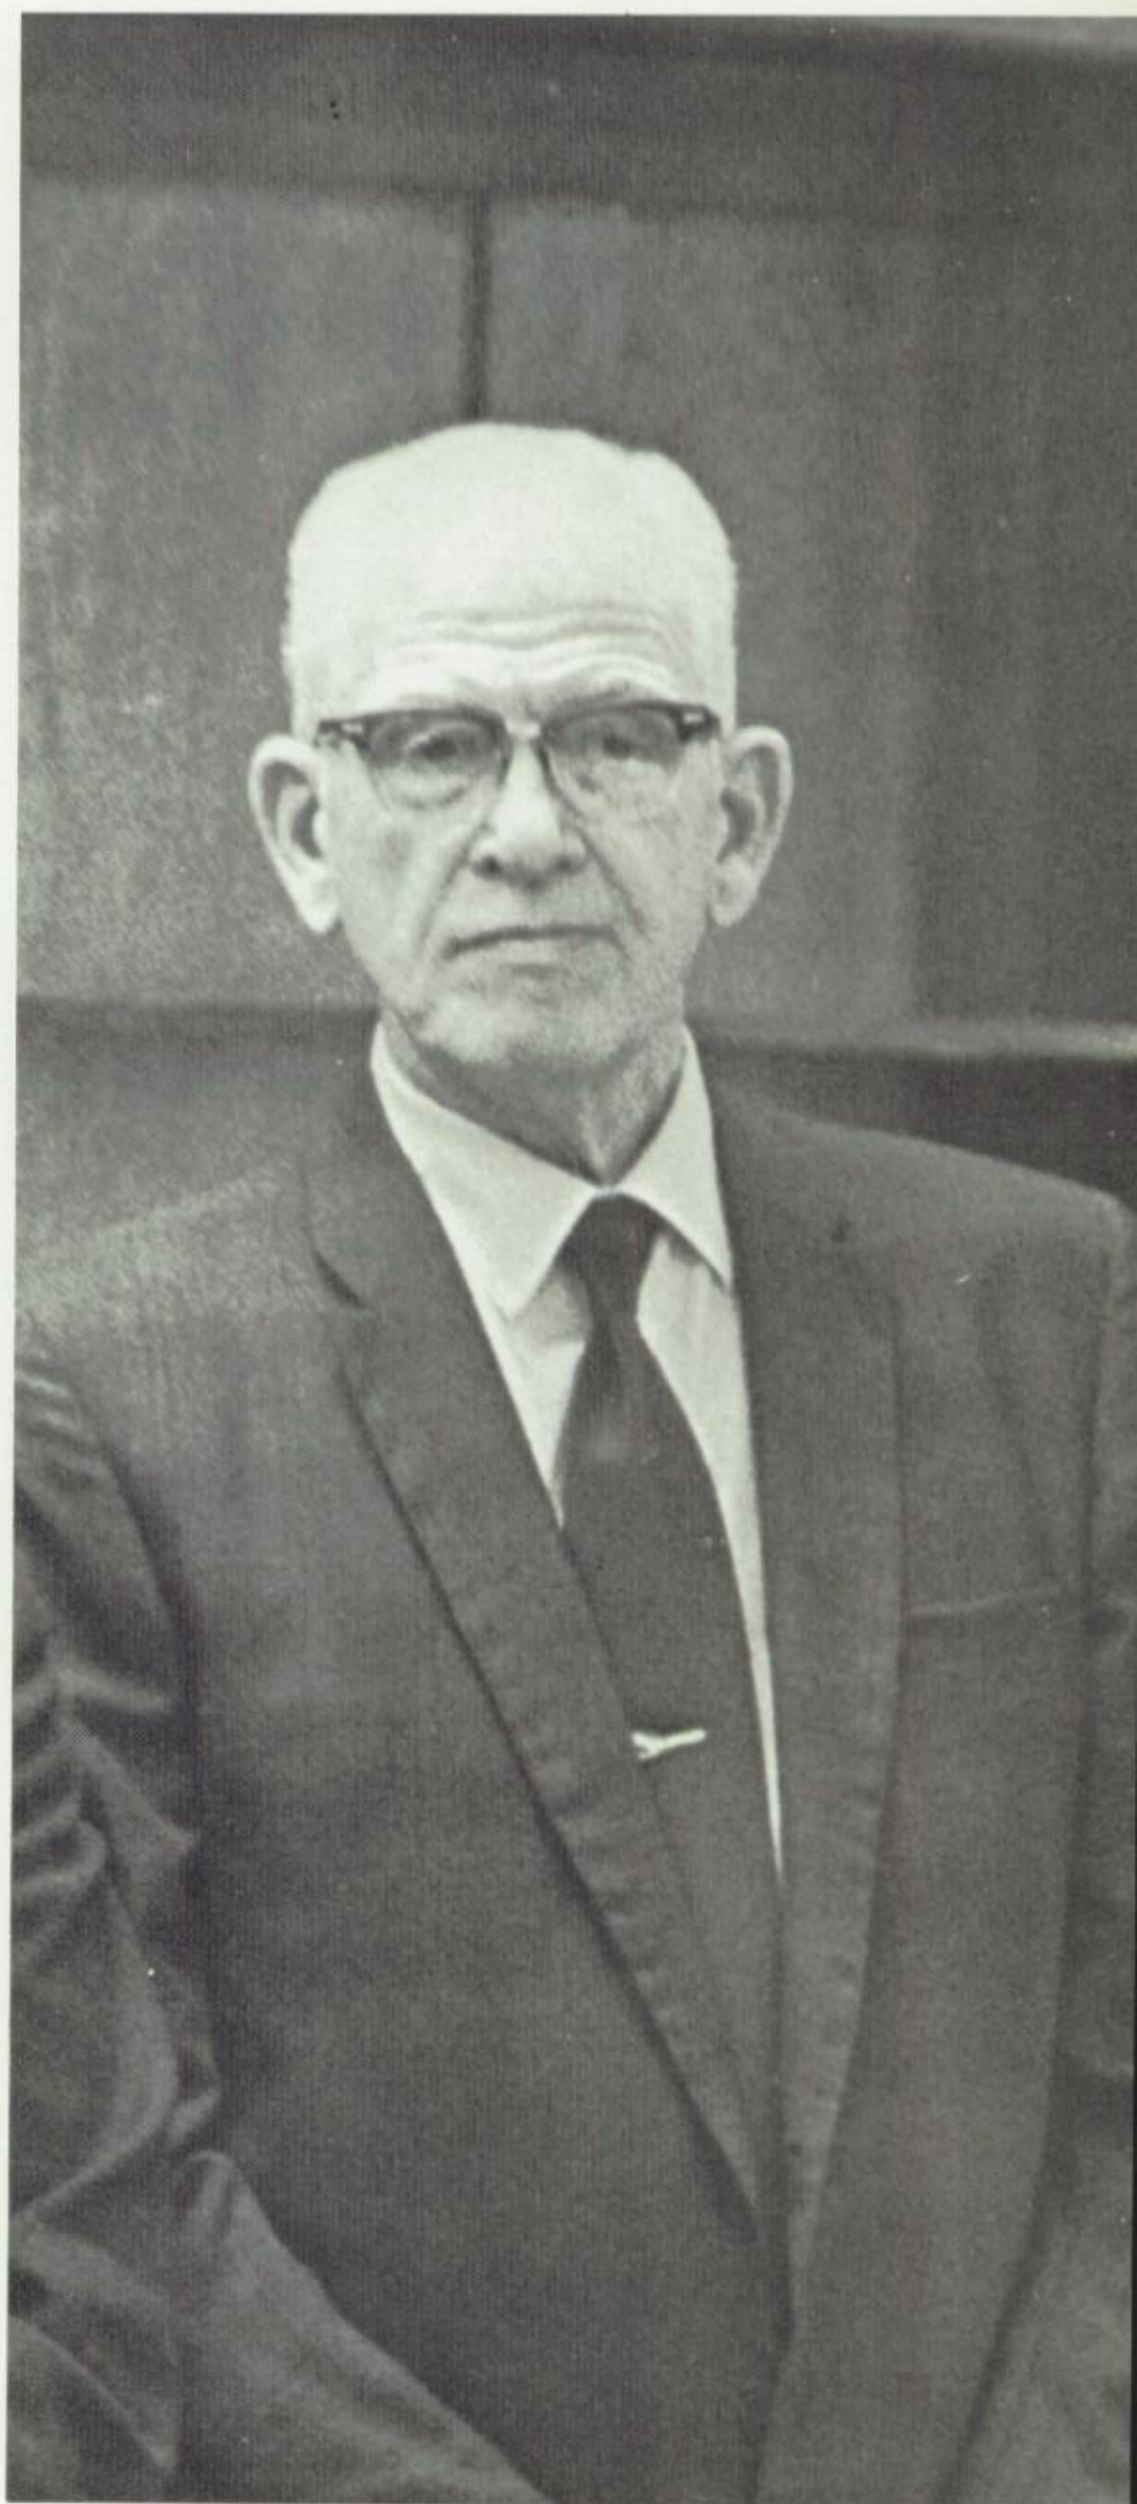

After thirty-eight years, Ralph B. Weinrich has become a tradition at Burroughs. The annual Christmas pageant, the semi-annual Operetta and Spring Concert, and various other musical performances have been giving pleasure to both participants and audiences for years. Besides conducting both choruses and orchestra in many fine concerts, he has taught classes in music appreciation and given individual music lessons to students of all ages.

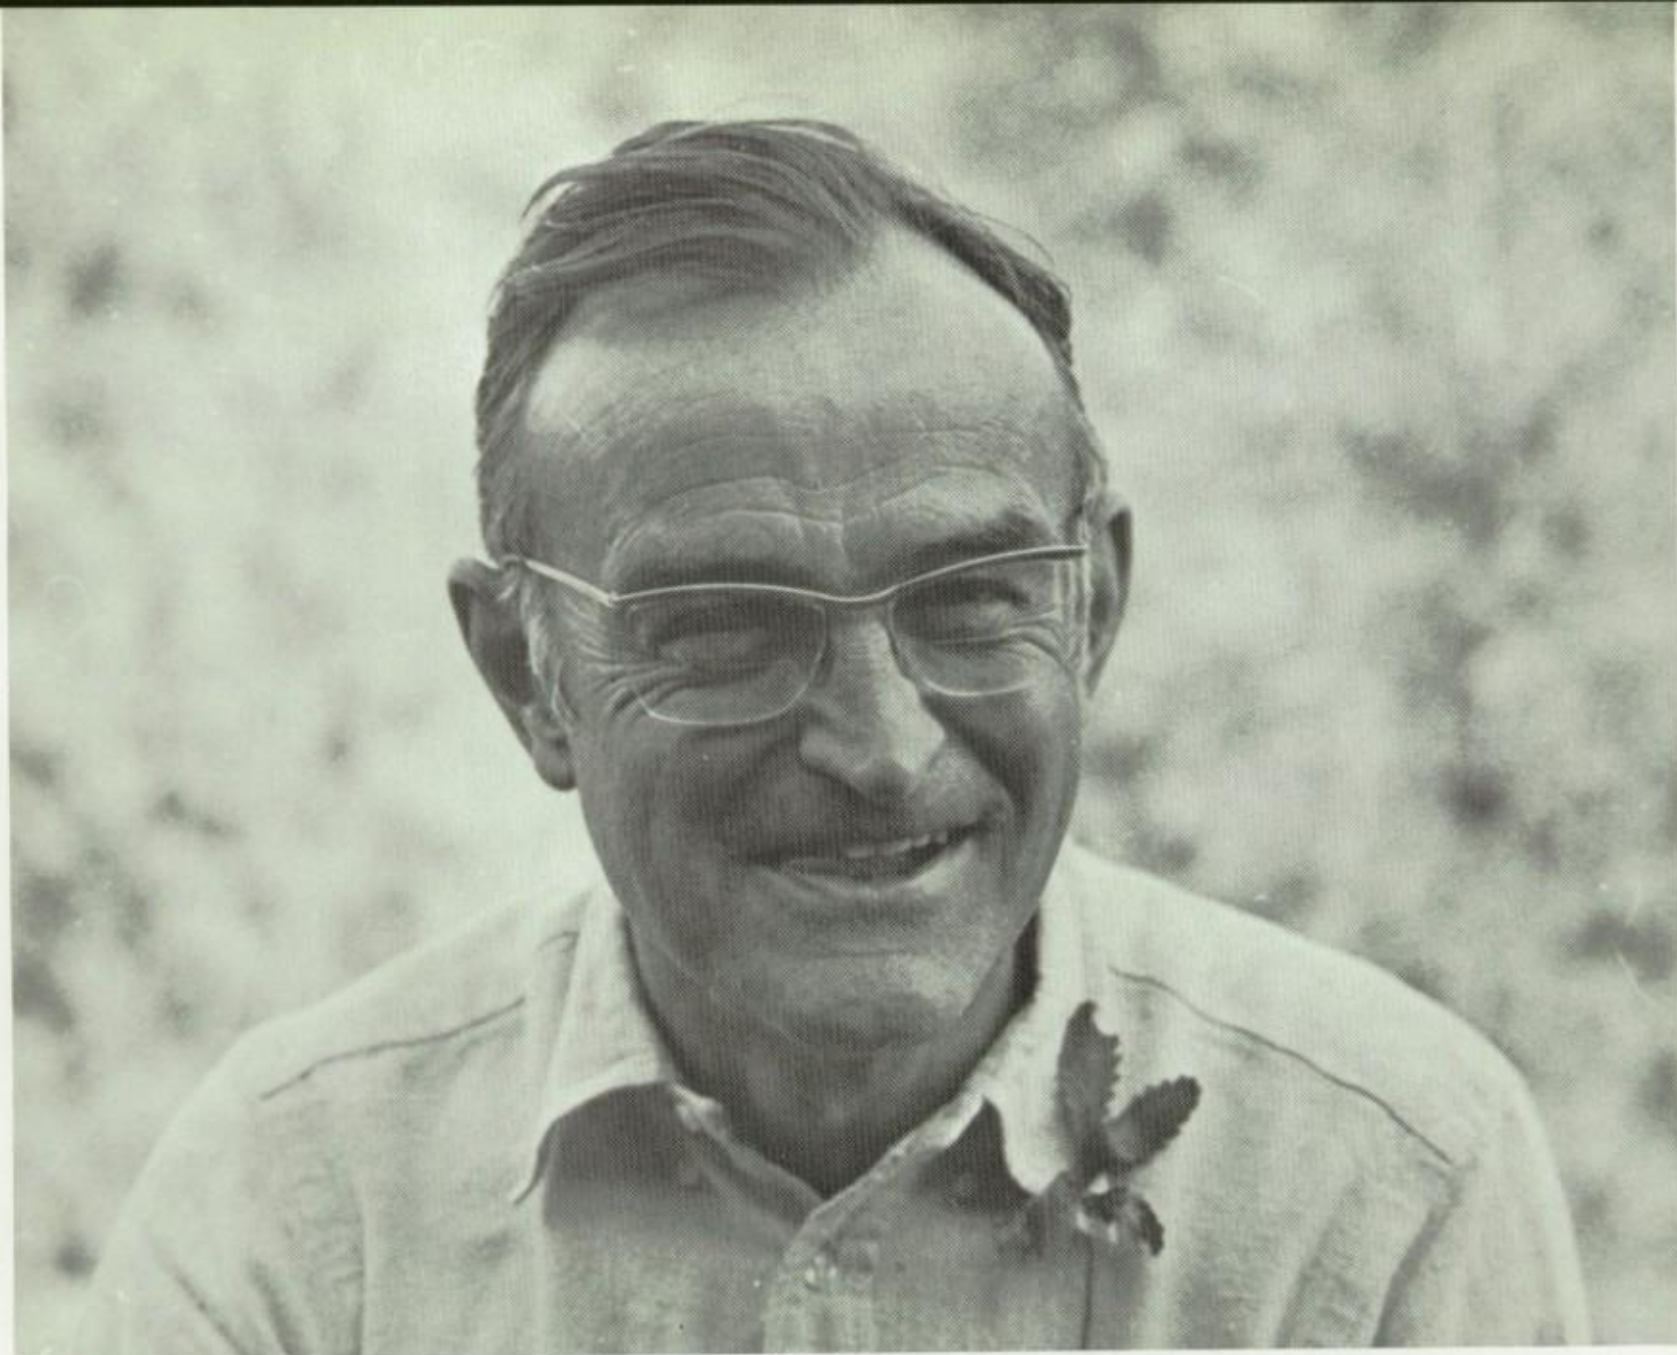

Ralph has proved himself not only as an outstanding musician, but as a fine person as well. We will always remember his wit, wisdom, and worldliness — Burroughs will never be the same without him.

Dr. Walter Rist

Mr. Walter Rist has devoted thirty-two years to teaching Burroughs students. Master of the German language, the old soft-shoe, and a veteran storyteller, Dr. Rist has made German class a pleasure for students rather than a chore. His students will remember him for his cigars and philosophizing, not to mention his fine teaching ability.

Burroughs will be losing one of its best and most popular teachers when Dr. Rist retires. We wish him luck in his new career of "bar-hopping" and "women-chasing"!

The Class of 1972 is a class with ten more boys than girls — with three members spending six months studying in Europe — with four of its students skipping senior year to enter college a year earlier — with fifty-four members who started in the seventh grade — with thirty who have siblings in another class. Such statistics are one way of identifying this class.

As the 1971-1972 year unfolds, certain accomplishments will further characterize these eighty-two young men and women. Already the decision not to have a Junior Prom last year is a milestone. The girls field hockey team completed a third undefeated season in a row. The twelve seniors who served as teachers for seventh graders at the Drey Land is another first which the Class of '72 has registered. There will be others before June. Perhaps the intense interest which several students have shown for changing senior year will generate a few new experiences. If any class is to do it, this will be the one.

As was the case with former classes, the seniors of the Class of 1972 will be missed for their contributions, both as a group and as individuals.

"The **only** substitute for work is a miracle!"

Cliff Klingenhagen had me in to dine
With him one day; and after soup and meat,
and all the other things there were to eat,
Cliff took two glasses and filled one with wine
And one with wormwood. Then, without a sign
For me to choose at all, he took the draught
of bitterness himself, and lightly quaffed
It off, and said the other one was mine.

And when I asked him what the deuce he meant
By doing that, he only looked at me
And smiled, and said it was a way of his.
And though I know the fellow, I have spent
Long time a-wondering when I shall be
As happy as Cliff Klingenhagen is.

Did you ever hold
a rock in your hand
until your warmth
became each others'
and there was no difference?
You didn't know where stone stopped
and you began —
And for awhile
you were part of a larger existence,
Part of the unknown
Part stone.

"Insanity is the spice of life."

"O Star (the fairest one is sight),
We grant your loftiness the right
To some obscurity of cloud-
It will not do to say of night,
Since dark is what brings out your light.
Some mystery becomes the proud.
But to be wholly taciturn
In your reserve is not allowed.
Say something to us we can learn
By heart and when alone repeat.
Say something! And is says, 'I burn.
But say with what degree of heat,
Talk Farenheit, talk Centigrade.
Use language we can comprehend.
Tell us what elements you blend.
It gives us, strangely little aid,
But does tell so ething i the end.
And steadfast as Keats' Eremite,
Not even stooping from its sphere,
It asks a little of us here.
It asks of us a certain height.
So when at times the mob is swayed
To carry praise or blame too far
We may choose somthing like a star
To stay our minds on and be staid.

"There's no sport as sport by sport o'erthrown. To make theirs ours, and ours none but our own."

"I asked the learned Man what he knew, and he told me,
 "I know the ways of man and those of God;
 I know what has been and what will be;
 I know who to see and where they can be found;
 I know who is loved and who will love;
 I know who is born and who will die."
 And then I asked the learned Man if he was happy,
 And he said, 'No.'"

Judge not, that you be not judged. For with the judgement you pronounce you will be judged, and the measure you give will be the measure you get. Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye? Or how can you say to your brother, 'Let me take the speck out of your eye, when there is the log in your own eye?' You hypocrite, first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.

John Flint Keydel Jr.

"For all you need to do is be."

"Thank you for the freedom of hills with trees and open air and sunshine all around us, with the ever-present warmth and safety in this house at hand and thank you that the warmth comes as much from our friends here as from the fireplace and the walls, and doesn't it fill us with beauty that we all have the ability to be friends? That we can be at peace with each other, an through that, pass our little bit of peace on to the world, and always withholding some for ourselves, that we can laugh with each other, laugh with our mouths open and not be embarrassed, and when the time comes, cry without shame. That there is enough trust on all sides that we can be honest — that we can give what we have, knowing we will be receiving at the same time. That we can see in each other's eyes a lot more than just eyes ... That there are so many ways to join together, in holding hands, in making music, in having fun together. That there is always some ugliness left, for what is beauty without ugliness, and how else will we remember how much we have to learn and do, yet, Finally that each of us is different. but through all of this see our oneness, and that out of that may rise a feeling which might be called Love."

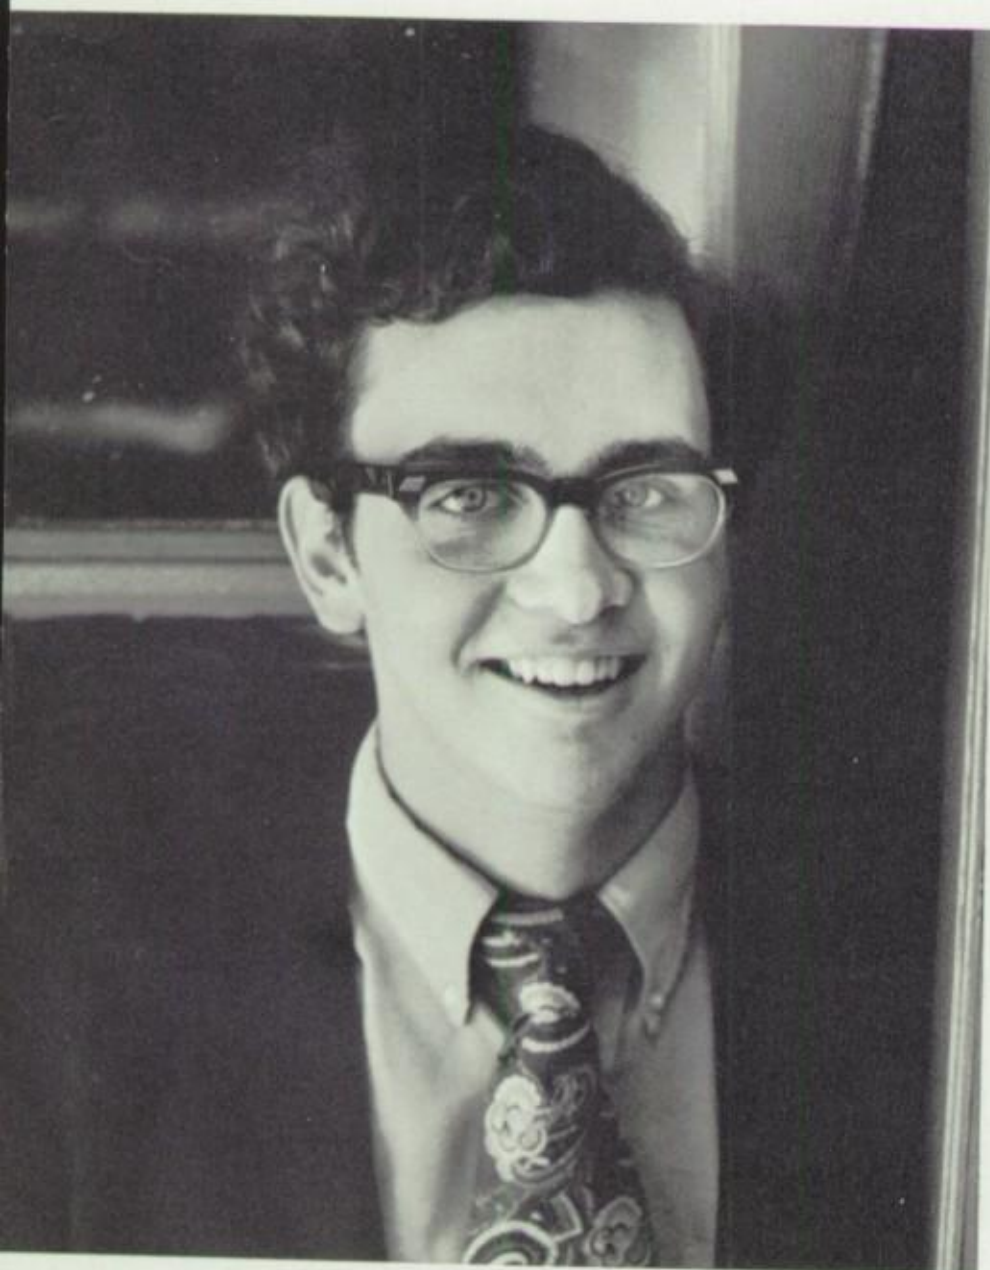

Norbert Edgar Kremer

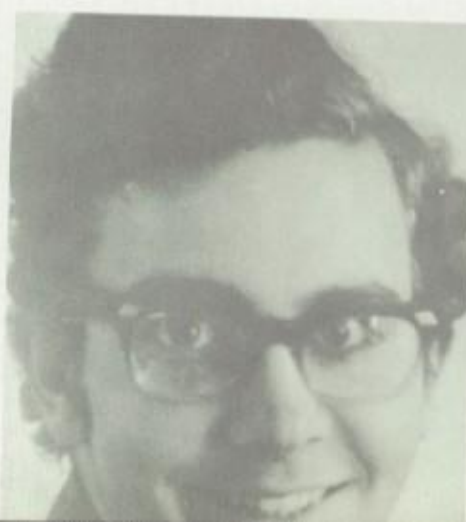

"Only a fool believes in the innocence of the world; yet a fool's world is the Utopia many dream of. The question is whether to let the dreams be used or to awaken them to an ugly reality."

"Discover life and live it for what it is."

"There will come a time, I know, when people will take delight
in one another, when each will be a star to the other, and
when each will listen to his fellow as to music. The free men
will walk upon the earth, men great in their freedom. They
will walk with open hearts, and the heart of each will be pure
of envy and greed; and therefore all mankind will be without
malice, and there will be nothing to divorce the heart from
reason. His figure will be raised to lofty heights — for to free
men all heights are attainable. Then we shall live in truth and
freedom and in beauty, and those will be accounted the best
who will the more widely embrace the world with their hearts,
and whose love of it will be the profoundest; those will be the
best who will be the freest; for in them is the greatest beauty.
Then will life be great, and the people will be great who live
that life."

"Ask not what you can do for your country, or the next you know, you may be getting your head blown off in Vietnam."

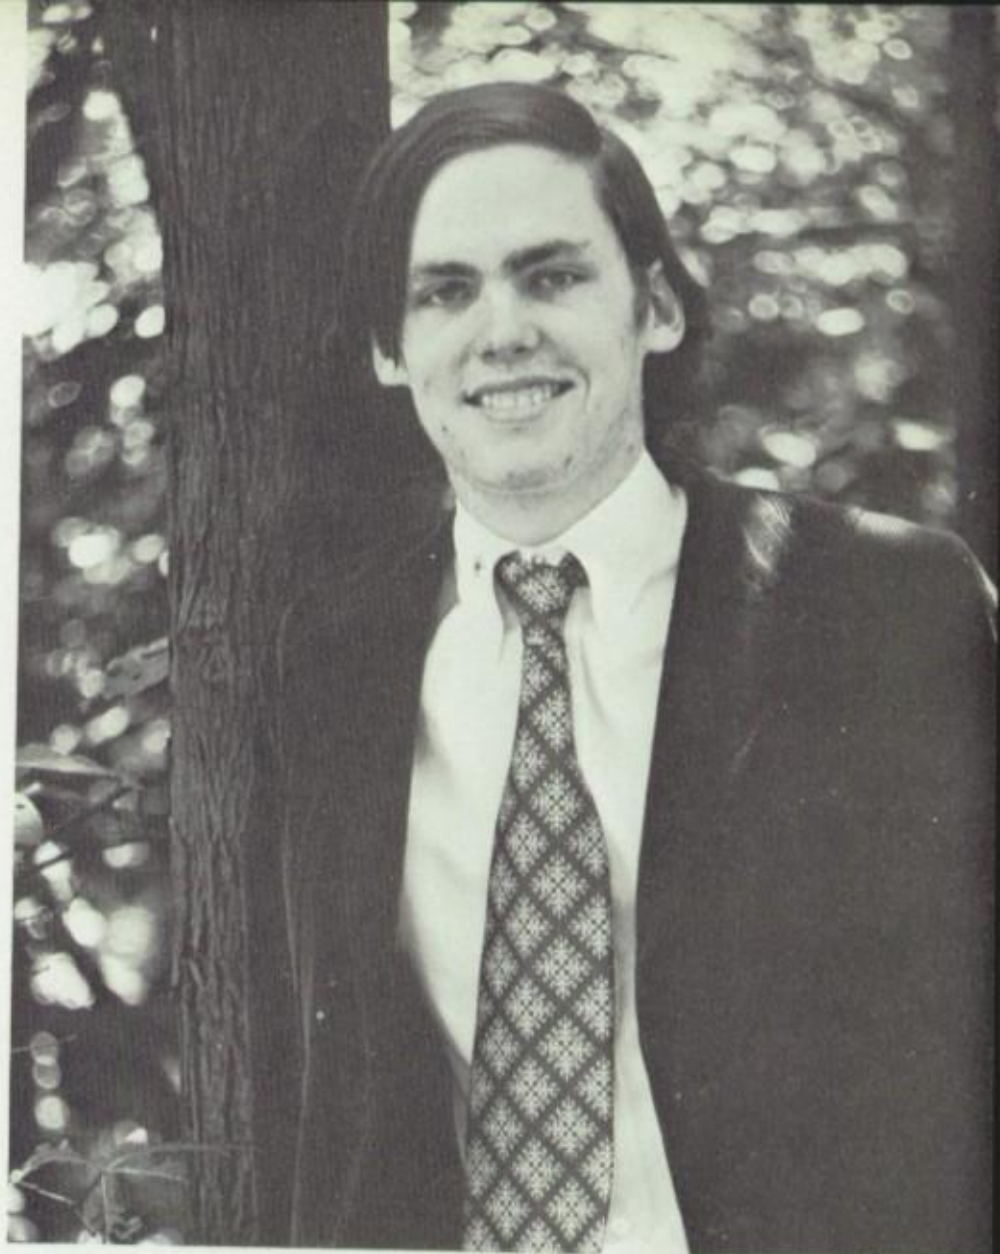

Imagine there's no heaven
it's easy if you try
no hell below us
above us only sky
imagine all the people
living for today . . .

imagine there's no countries
it isn't hard to do
nothing to kill or die for
and no religion too
imagine all the people
living life in Peace . . .

imagine no possessions
i wonder if you can
no need for greed or hunger a brotherhood of man
imagine all the people
sharing all the world
you may say i'm a dreamer
but i'm not the only one
i hope someday you'll join us
and the world will be as one.

"Whosoever shall not receive the kingdom of God as a little child, he shall not enter therein." — St. Mark 10-15

And let you best be for your friend
If he must know the ebb of your tide, let him know the flood also.
For what is your friend that you should seek him with hours to kill?
Seek him always with yours to live.
For it is his to fill your need, but not your emptiness.
And in the sweetness of Friendship let there be laughter, and sharing of pleasures.
For in the dew of little things the heart finds its morning and is refreshed.

John Crane Zekind

"A wise man will hold his tongue till he sees the opportunity: but a babbler and a fool will regard no time.

Discovery — Carol Phillips

I looked at me one day, one day,
and made a strange discovery;
I am not me at all, at all,
But all this that pretends it's me.

I am a laugh that someone liked,
I am a walk that I aquired;
I am a scent of long-gone hours,
Of lullaby and dreams half-fired.

I am a scrap of poetry,
I am a prayer I learned to lisp;
I am that hidden unnamed fear,
I am the first shy-given kiss.

Although I am not me at all
I had to laugh at fate's bland tease,
That I who thought that I was me —
To think that I am all of these.

Junior Chorus

The Christmas Pageant

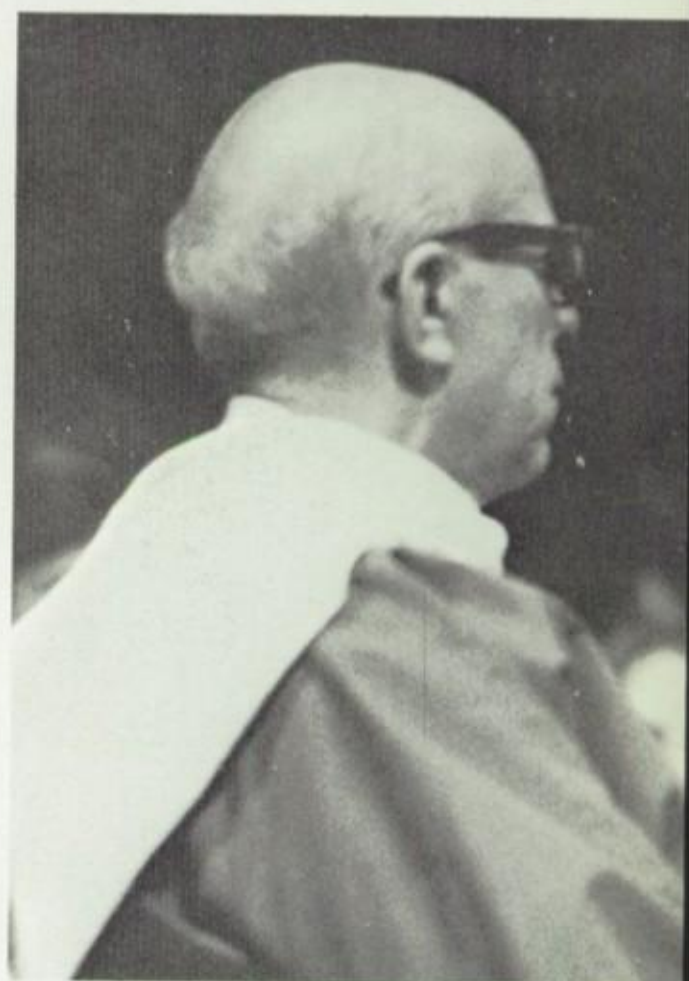

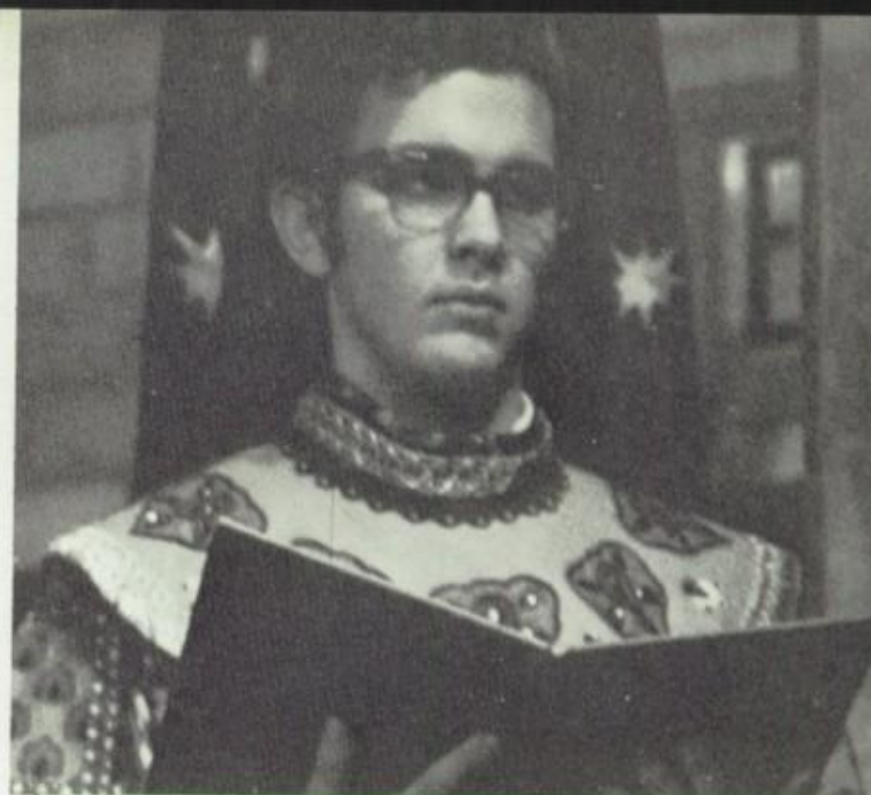

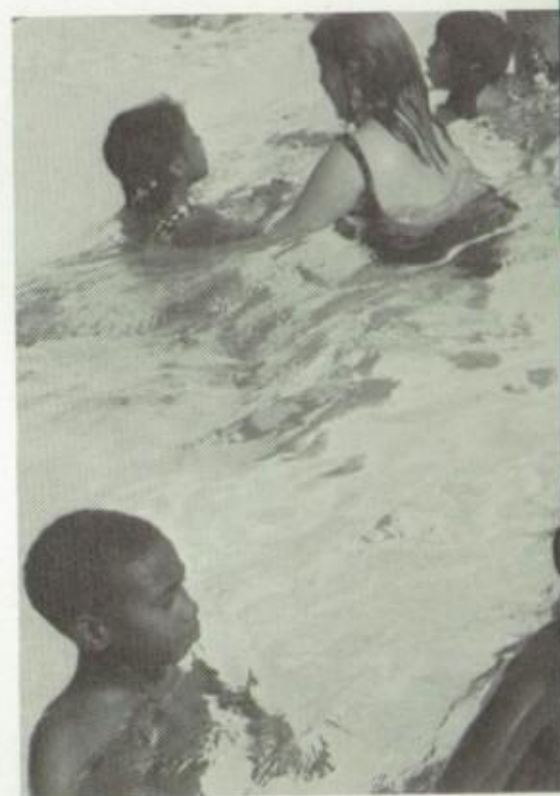

This year the annual Christmas pageant was presented in beautiful simplicity. The tableau was plain but effective, designed by Debbie Fordyce, with Mary and Joseph portrayed by Sally Knight and Kent Higginbotham. John Cissel, Nat Osborne, Tom Sharp, and Nick Bauer were also in the tableau, which was constructed of wood and canvas for a more realistic appearance. The book boys and girls were David Boles, Nancy Cornwell, Bob Hagedorn, Gino Gabianelli, Kurt Altvater, Susan Bristow, and Lynn Gorguze.

The story of the Nativity, read by Betsy Eldredge and John Keydel, was woven in with both traditional carols and Christmas songs selected by Mr. Weinrich. This year the choruses walked down all four aisles, instead of just two, singing "See Amid the Winter's Snow" and "Angels We Have Heard on High". The senior chorus sang "This Little Babe", a round by Benjamin Britten, and "The Three Kings", a Spanish carol featuring a solo which was sung beautifully by Ellen Witscher. The Junior chorus sang "Gloria", a Polish carol. Both choruses sang "Alleluia" by Bach, "Resonet in Laudibus", a sixteenth century piece, and "A Carpenter Cut the Manger's Wood", with a solo group of junior school girls — Robin Benson, Kathy Bowles, Helen Graham, Helen Gordon, Ginny Mitchell, Ann Wiegand, and Lauren Woods. Finally, both choruses and the orchestra performed "For Unto Us a Child Is Born" from Handel's "The Messiah".

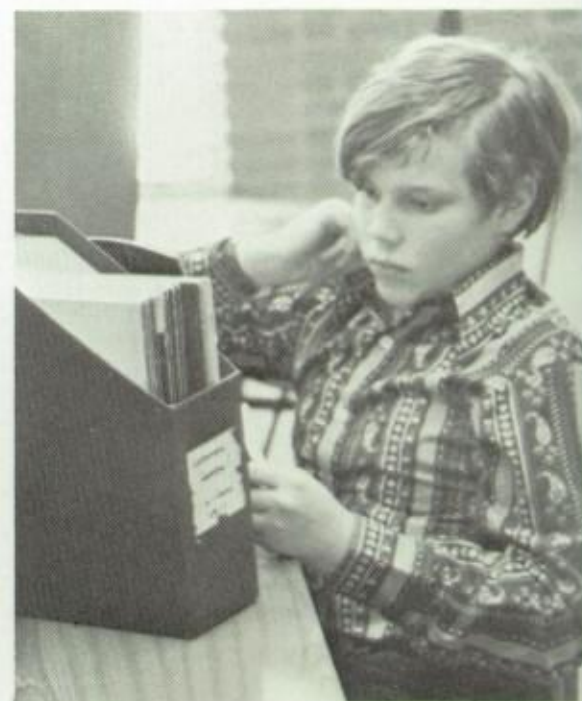

As the lights dimmed and the tableau was revealed, Jackie Maher sang the beautiful "Mary's Lullabye", accompanied by the senior chorus. The recessional followed, with both choruses singing "Joy to the World".

Congratulations and special thanks are due to Miss Joann Collins and Mr. Elmer Hirth, overall chairmen of the pageant, Mr. Don Mayhew, Mr. William Crabtree, Mr. Paul Koprivica, Mr. Howard Blossom, Mr. Wayne Arnold, Mrs. Henry Bauer, Leslie Sawyer, both choruses, the orchestra, and Mr. Ralph Weinrich for one of the best pageants ever presented at Burroughs.

ATHLETICS

“A” Hockey

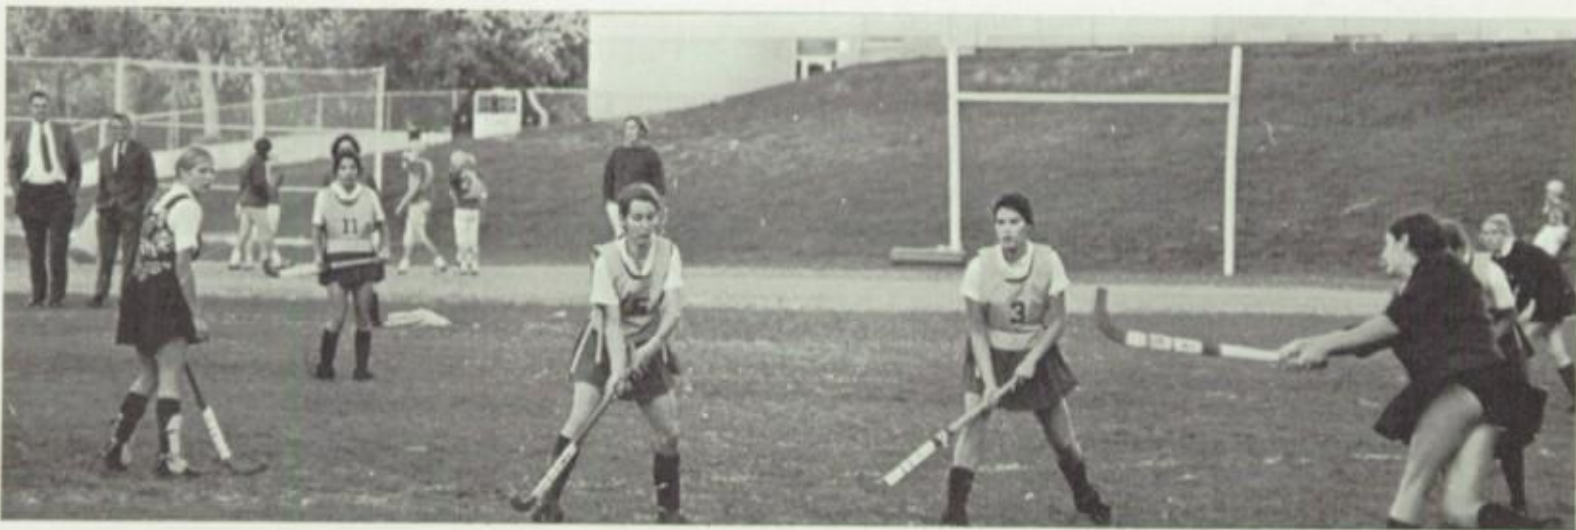

1st ROW: A. Crosten, Yerges, Lockwood, Proctor. **2nd ROW:** Kennedy, Jacobs, Obata, McMahon, Dee, Shelton, Austin, Carp. Absent: A. Hilmer, Shaw.

This year's "A" hockey varsity started their season with the determination to maintain the undefeated tradition established two years ago. Lacking the superstars of the two teams previous to this one, there was an underlying feeling of doubt that this could be accomplished. Yet by displaying fine teamwork and stubborn pride, this team came through to be not only undefeated, but also untied, achieving a perfect 10-0-0 record. Although forwards Obata and McMahon dominated the scoring, all of the forwards had a hand in scoring the twenty four season goals. The defense, highlighted by exceptionally fine, consistent play by fullback Leslie Shelton and by the dangerous scoring threat Terry Carp, fell apart at times, but never long enough or often enough for their opponents to score more than once, if at all. No one facet of the team, guided by captains Peggy McMahon and Kim Austin, outshined the other; it was truly the effort of the entire team that made it successful. Many thanks to Coaches Bluhm and Medearis, whose talents are obvious in their ability to produce winning team after winning team. Despite costly senior losses, let's hope next year's team is just as good or better.

This year, the “B” hockey “Cheerios” had the first undefeated season in four years. The team was inexperienced, with only 7 out of 17 returning members, but they worked amazingly well together, as shown by their fine 7-0-1 record. The tie came in the last game against a fired-up Villa team, but the Cheerios played perhaps their best game of the year in holding Villa to a 0-0 tie.

The Cheerios were captained by Liza Bauer and Liz Loeb, and coached by Mrs. Walker, who did an excellent job of coaching in her first year at Burroughs.

“A” Football

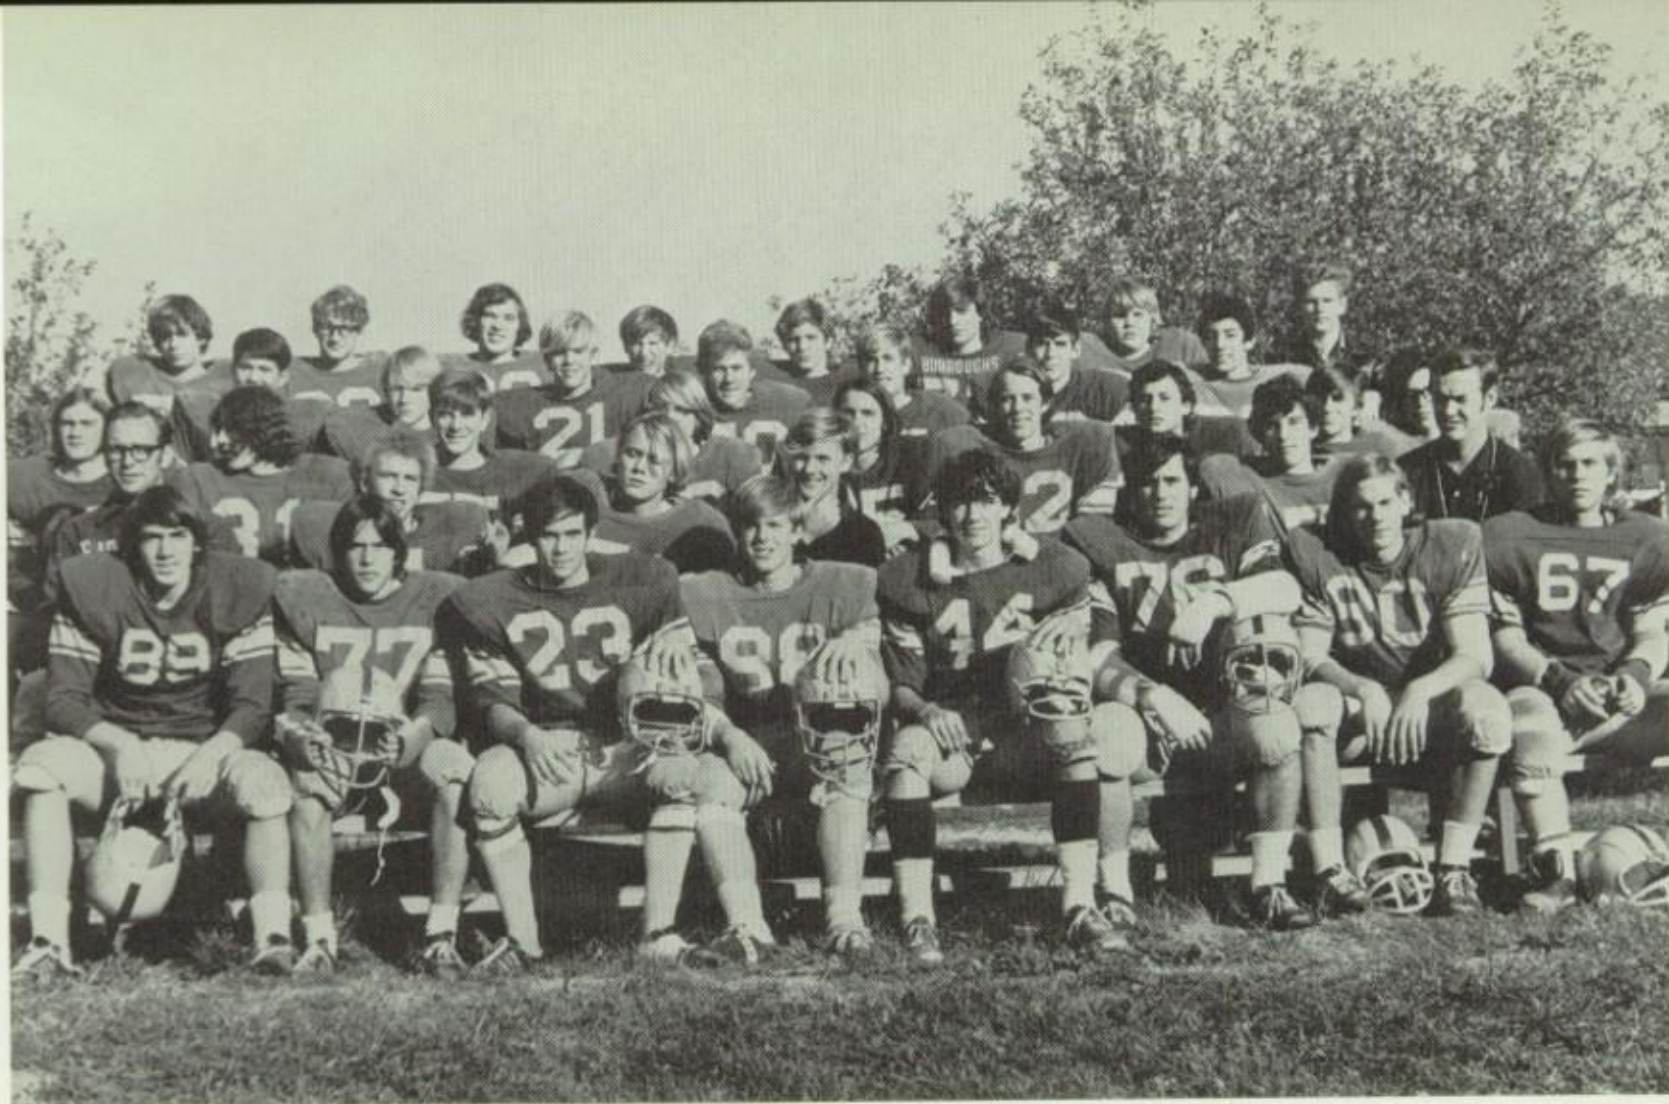

The A Team finished the season with a 5-4 record and second place in the league. This surprised a lot of people who expected a poor season from what looked to be an inexperienced team. However, good teamwork and the determination that helped win the one-pointers made for a fine season.

The one thing that made this team different from past squads was the fact that no one carried the team. There were some stand-out players, notably Phil Rahn, A. Adams, and Larry Smith, but no one stood around waiting for these three to win the game. Everyone contributed.

As in any sport there were some games we lost that we could have won, but then again there were some games that we won that we should have lost. Nobody needs to make any excuses.

All the players would like to thank the three coaches Mr. Lemen, Mr. O'Keefe, and Mr. Leiweke for guiding them to a winning season without losing their patience over our little jokes.

The year's B Team captured the ABC league championship for the second consecutive year, with a 4-1-2 overall record. The Bulldogs were undefeated in league play with a 3-0-2 record. The two ties came on the Bulldogs' final two outings of the year. One was against a very tough Priory team while the other was against an equally tough Codasco squad. Both games were tough defensive battles, but due to the able coaching of Mr. Stevens and Mr. Spellman, the Bulldog defense was a "stingy" one, allowing an average of 6 points per game. The Bulldogs' finest game of the year was played against Lutheran South. The Bulldog offense, spearheaded by co-captains Doug Martin and Ed Weigand, trounced over Lutheran South, in a 44-6 victory. This game exemplified the boys' good spirit, desire to win, and in general, the total coordination between every member of the team.

Special thanks is necessary to Mr. Stevens and Mr. Spellman who, from August to November, coached and molded these boys into the championship team they were destined to become. Thanks, and good luck to both of you in future years.

This year's "C" team was the surprise team of this year. Their fine record exceeded everyone's expectations. They combined hard hitting and a great desire for victory in order to beat their opponents. Their coaches deserve a lot of the credit for being able to mold them into a winning team. Their coaches worked them hard in practice, and this hard work showed up in their games. Although their season ended on a sour note when they were beaten by an excellent C. D. S. team, they wound up in second place which was far better than everyone expected. They well deserve everyone's congratulations.

Although the 1972 Cross Country Team had only an overall record of 4-4 this figure does not indicate the true talent of the team. Running against some of the strongest competition ever, this team showed a lot of potential. The great coaching of our beloved KAHUNA, Mr. Sortland, was an inspiration to all runners. In the ABC league the team was 2-2, recording wins over Priory and Codasco, losing only to two very strong teams, Lutheran North and South. Other team victories were over Rosary and Prep North. "Buzz" Barksdale led the team this year taking first or second in all Dual Meets. The Core of the team was our strong Sophomore runners led by Steve Mathes. Bill Loiseau, Steve Nelson, and Jacque Gordon also had fine seasons. A freshman Wes Geissel showed a lot of potential too. Five or six of our top seven runners throughout the season were underclassmen.

This season was a decent one, but next year should be even better although they will lose Barksdale and Loiseau. The spirit and talent of the returning runners surely indicates a successful season for next year.

The 1971-2 Bombers were the best team JBS has produced in over a decade. The 'A' team posted a 7-1-2 ABC League record, and a 10-5-5 overall record as they captured the ABC championship.

The Bombers started off strong as they tied St. John's, 1-1, breaking up a 12 game winning streak. Then they opened their league season against Lutheran South, in a disappointing fashion, losing 3-2. However, a trend was set as Dave Paletta scored both goals, the first of thirteen.

In the next two games the Bombers improved but still lacked the fire that marks a champion. They tied Lutheran North 2-2, after losing a 2-0 lead. Then they came from behind to tie Country Day, 1-1.

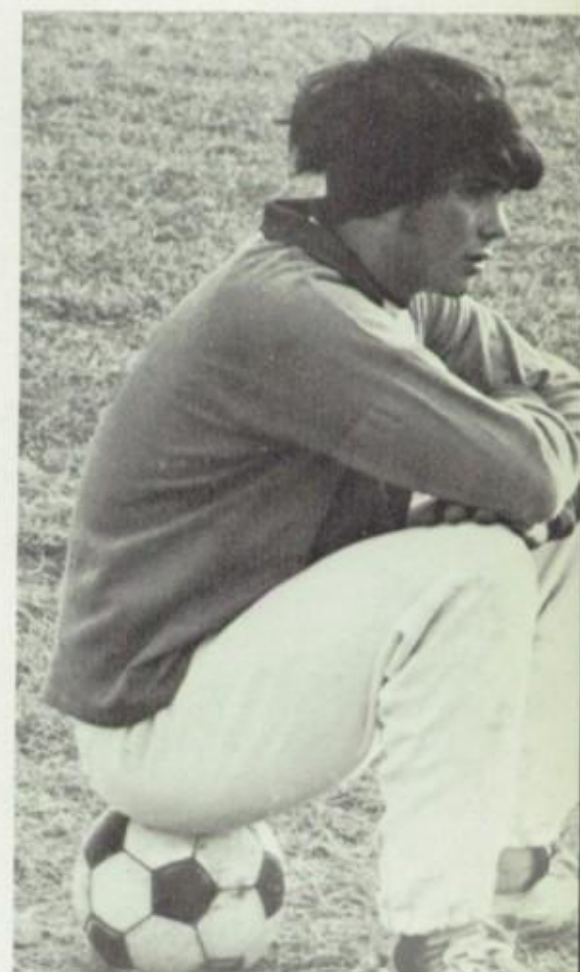

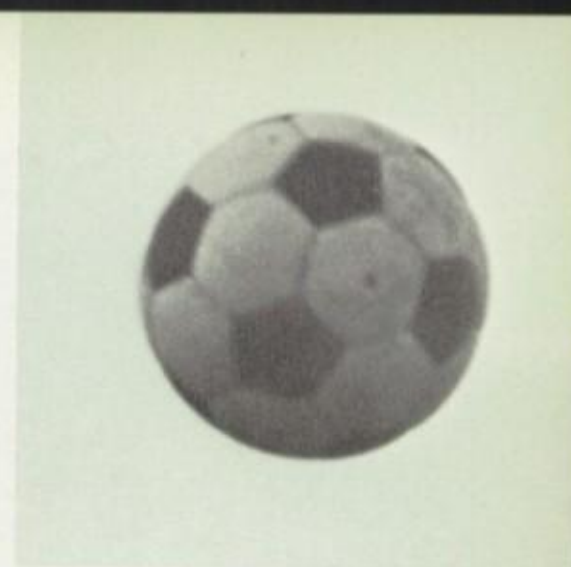

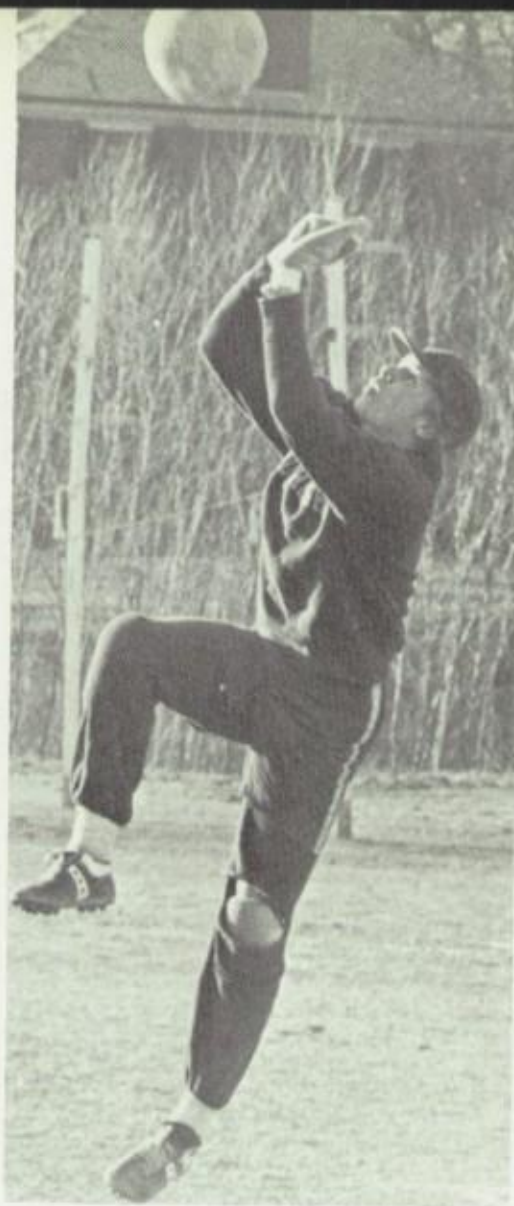

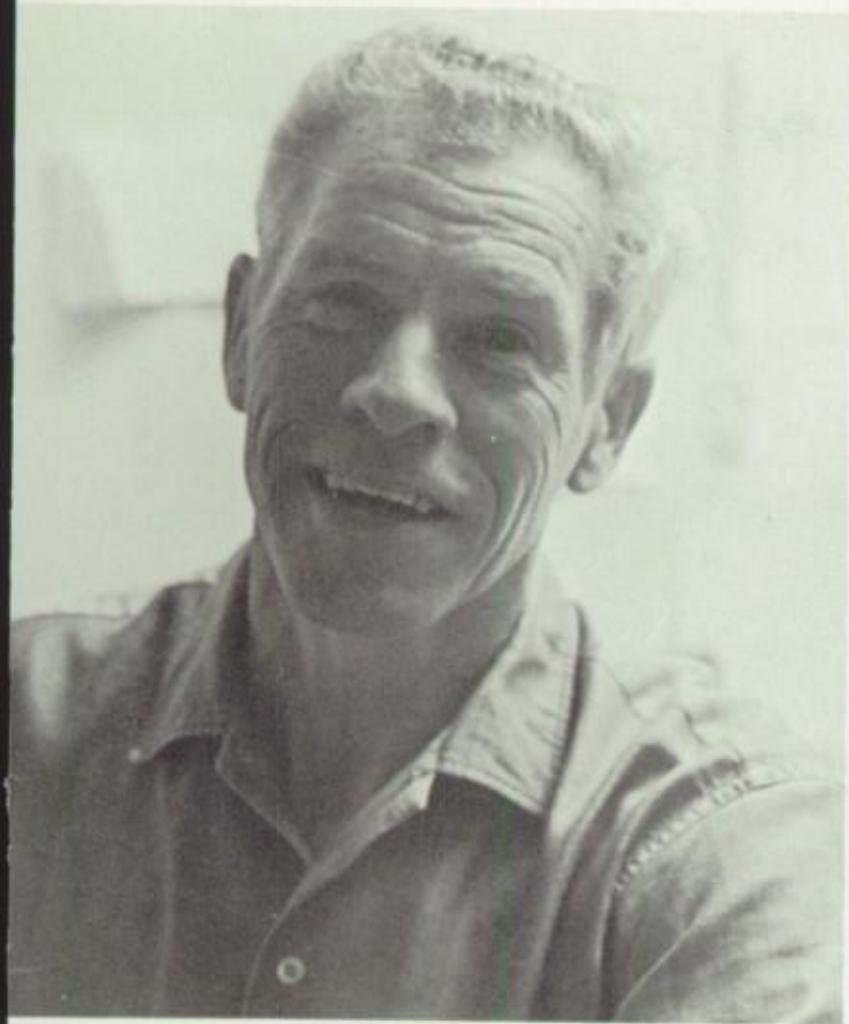

With a 0-1-2 record the Bombers were in trouble. No one had beaten South and the Bombers had only one game remaining against them. Realizing this they came out and played a fine game, marked by excellent defensive play. Paletta scored the only Bomber's goal and the game ended in a 1-0 victory.

Following this game the Bombers tore the league apart, winning six more games in a row. They beat Principia 2-0, Priory 5-1, Lutheran North 4-2, Codasco 3-0, Principia 2-0, and Priory 2-1.

The Bombers then entered the ABC Tournament, where in the first round they easily beat Priory 2-0. They then had to face Codasco, in a classic battle of revals which required 165 minutes of soccer to decide the outcome, with the Bombers winning 4-2. However, an emotionally and physically drained Burroughs team lost in the finals to North, 1-0, and came home with second place in the tournament.

During the season scoring came from John Schaus, John Heidbreder, Joe Dreyer, Walker Hoerr, Bob Ansehl, Craig Wilkins, and Rick McGinley. But although the offense was powerful, they were backed up by a fine defense led by John Heidbreder, Jeff Elzemeyer, Charlie Cissel, Walker Hoerr, Rocky Kistner, Rick Tichenor, and Dave McDougal.

Although it is the players who represent a team on the field, it is the coach who teaches the team how to play together. This job was done by Coach Ray Beckman, and he did it excellently. Because of his dedication to the team, this ABC League Championship was dedicated to "Coach Ray" by his "fellas".

“B” Soccer

1st ROW: R. Wilson, Osborne, B. Moger, P. Miller, LeBert, C. Reed, S. Nelson, D. Loeb. **2nd ROW:** E. Schmidt, J. Gordon, Robertson, A. Reed, W. Ballinger, M. Nelson, Curry, J. Hamilton, J. Rogers, Mr. Sprague. **3rd ROW:** T. Rogers, T. Samuels, R. Kallaus, G. Behrens, Lind, Moscovitz, Seddon, J. Johnstone, Wiebol Shington, Busse, S. Stradal.

Congratulations to the “B” soccer team who took second place in league this year, just missing the championship. The team had an unlucky start with their first four games ending in ties. They had good passwork and dominated the games, but failed to score on their many opportunities. A decisive win over Principia put the team in high gear as they won their next two league games. The latter, a victory over Priory, put them in first place, a point ahead of Priory. Bad weather caused them to tie their next league game due to lack of practice. A dramatic victory over a strong Parkway West team set the Bulldogs in high spirits for the final title drive. They met Prin and Codasco head on, and came up with two victories. With one game left, Burroughs, found itself one point behind first place — Priory. The Bulldogs lost to Priory, their only league loss, ending the season with a 5-1-4 record in league, and a 7-3-5 overall record. They were a solid team with good hustle. Scorers were Wayne Johnson, Jerry Johnstone, Steve LaBert, Peter Miller, Nat Osborne, Tony Reed, Torrey Rogers, and Steve Stradal. Special congratulations go to Bill Seddon who had an outstanding season in goals. His performance kept the team in the league race. Thanks to Coach Sprague for fine leadership.

We would like to thank Mr. Gramse for his fine coaching this season. The "C" team had a great season even though this was our first year together. This was the first winning "C" soccer team in the history of John Burroughs, with a 7-6-2 season. In league we were 7-2-1, taking 2nd place. With most "C" teamers moving on to "B", we hope "B" team will have a winning season next year.

“A” Basketball

1ST ROW: Rahn, Smith, Brown, Miller, Scallet, **2ND ROW:** P. Holecamp, S. Holecamp, L. Schmidt, Burke, Mr. Ulmer. Absent: Adams, Cissel.

The 71-72 varsity ended up with a 9-13 season record which typified the hit-and miss season the Bombers played. They never could find the momentum to start a substantial winning streak which could have pulled them above .500.

The Bombers started the season much earlier than usual because they entered in the DeAndreis Tourney, and with only a week of practice under their belts, they dropped the first two contests to Kennedy (44-47), and Country Day (56-57). Phil Rahn played a fine game with 30 points and 17 rebounds.

The Bombers' first victory was against Clayton (44-39), in a game where everyone played well, but this turned sour when they lost to a weak McCluer N. team, 39-40. Against Ladue, the Bombers were simply out-shot and out-rebounded (47-70), but they turned around and dominated two games. Four people scored in double figures in the St. John's game; Rahn (27), Scallet (14), Adams (12), and L. Schmid (10), while Burroughs crushed them, 88-22. They continued their good playing, beating So. Co. Tech. 72-33. Burroughs was beginning to prove that they could play fine basketball but then they fell into a slump, losing three straight to Lutheran S. (55-68), Priory (40-56), and Prin (50-58).

In the ABC Tournament, the Bombers grabbed the consolation trophy by defeating Prin 43-37 and Country Day 77-55, after losing their opening game to Lutheran N. 49-63. One thing that bothered the Bombers during the middle of the season was the fact that they were very poor in the third quarter. Many halftime leads that the Bombers had worked hard to build, were destroyed in the third quarter. The Priory game was a prime example where the Bombers had a 13 point halftime lead but lost it in the third quarter and eventually lost 44-54.

The Bombers then played three of their best games. The first was a loss to Lutheran N. in a double overtime, but the Bombers played with confidence. Leo Schmid scored a career high of 14 points. Then the Bombers defeated CDS 90-39 with Rahn scoring 32 points, and Prin 59-43. Then Burroughs lost to Lutheran S. 38-76 and came back to defeat Jennings 50-45 in a game resembling a sport played a season earlier. The season ended on a sour note as Burroughs lost their last home game to Lutheran North 54-67 and were eliminated from the regionals by top seeded Prep South 46-73.

Phil Rahn was high scorer with 395 points, then Larry Smith 157, Pete Holekamp 151, Chris Brown 118, and Auther Adams 96. Phil Rahn earned an all-conference award while Larry Smith received an honorable mention. The season was topsy-turvy and left some players and fans somewhat disappointed. Next year Smith, Holekamp, Cissel and Miller will return and if the Bombers acquire some outside shooting, things will look bright (if Smith gets a haircut).

1st ROW: Griesedieck, Zemitzsch, S. Martin, Peterson, Caciolo. **2nd ROW:** Aronson, Waters, Schnuck, Mathes, Baker. **3rd ROW:** Mr. Lemen, Wyman, Arnstein, Krause, Butler, Masterakas.

This year's "B" team was a disappointment, as they had great expectations from the returning members of last year's "C" team. The Bulldog's record was 5-13-0, although they lost several games by only a few points. They lost their opener to Clayton by 1 point and they tied a tough Lutheran North squad in regulation time, on the enemy's court, only to lose by 4 points in an exciting overtime.

There was a lot of talent in the first seven, namely Chip Krause, Mark Schnuck, Steve Mathes, Steve Butler, Bill Mastorakos, and Andy Baker. The team also had a strong "E.B.E." bench with Skip Martin, Paul Caciolo, Brad Peterson, Paul Zemitzsch, Tom Aronson, and Pat Waters.

The Bulldogs were plagued by injuring all through the season, and there were two players who were injured twice in the season. Also, one Bulldog member set a record for fouling out in the least amount of time, 3 minutes.

1st ROW: George, Wang, Trulaske, Mr. Leiweike. **2nd ROW:** McCarthy, Durfee, Rassieur. **3rd ROW:** Friedel, Leuhrman, Wright, Black.

“C” Basketball

Not much can be said for this year's "C" team, except that it was Coach Leiweike's first year back and they tried. Following the example of A baseball, the "C" cagers finished with a perfect 0-13 record. Novices P. Hamilton, Black, T. Rassieur, Leuhrman, R. Martin, and Wright often came close, but could not win one. However, they did gain needed experience and look forward to next year with the hope that you can't lose them all.

“A” Basketball

1st ROW: M. Dee, P. McMahon, Jackson. **2nd ROW:** Carp, Pfaff; Lewis, Paine, Kennedy.

THE “A” team finished up their season with a fine 5-5 record: which showed much improvement over last year’s injured team. Offensively the team proved to be quick and sharp with the new zone defense and “press”, but didn’t seem to be able to produce continuous scoring. Defensively the team couldn’t get around the outside, fast-breaking shots of the other teams. Terry Carp and Jill Kennedy were high scorers for the season, with 103 and 85 points respectively.

We are looking forward to a strong season next year, with most of the team returning. We want to thank Mr. Ulmer for his help in teaching us basic five-man basketball principles.

"B" Basketball

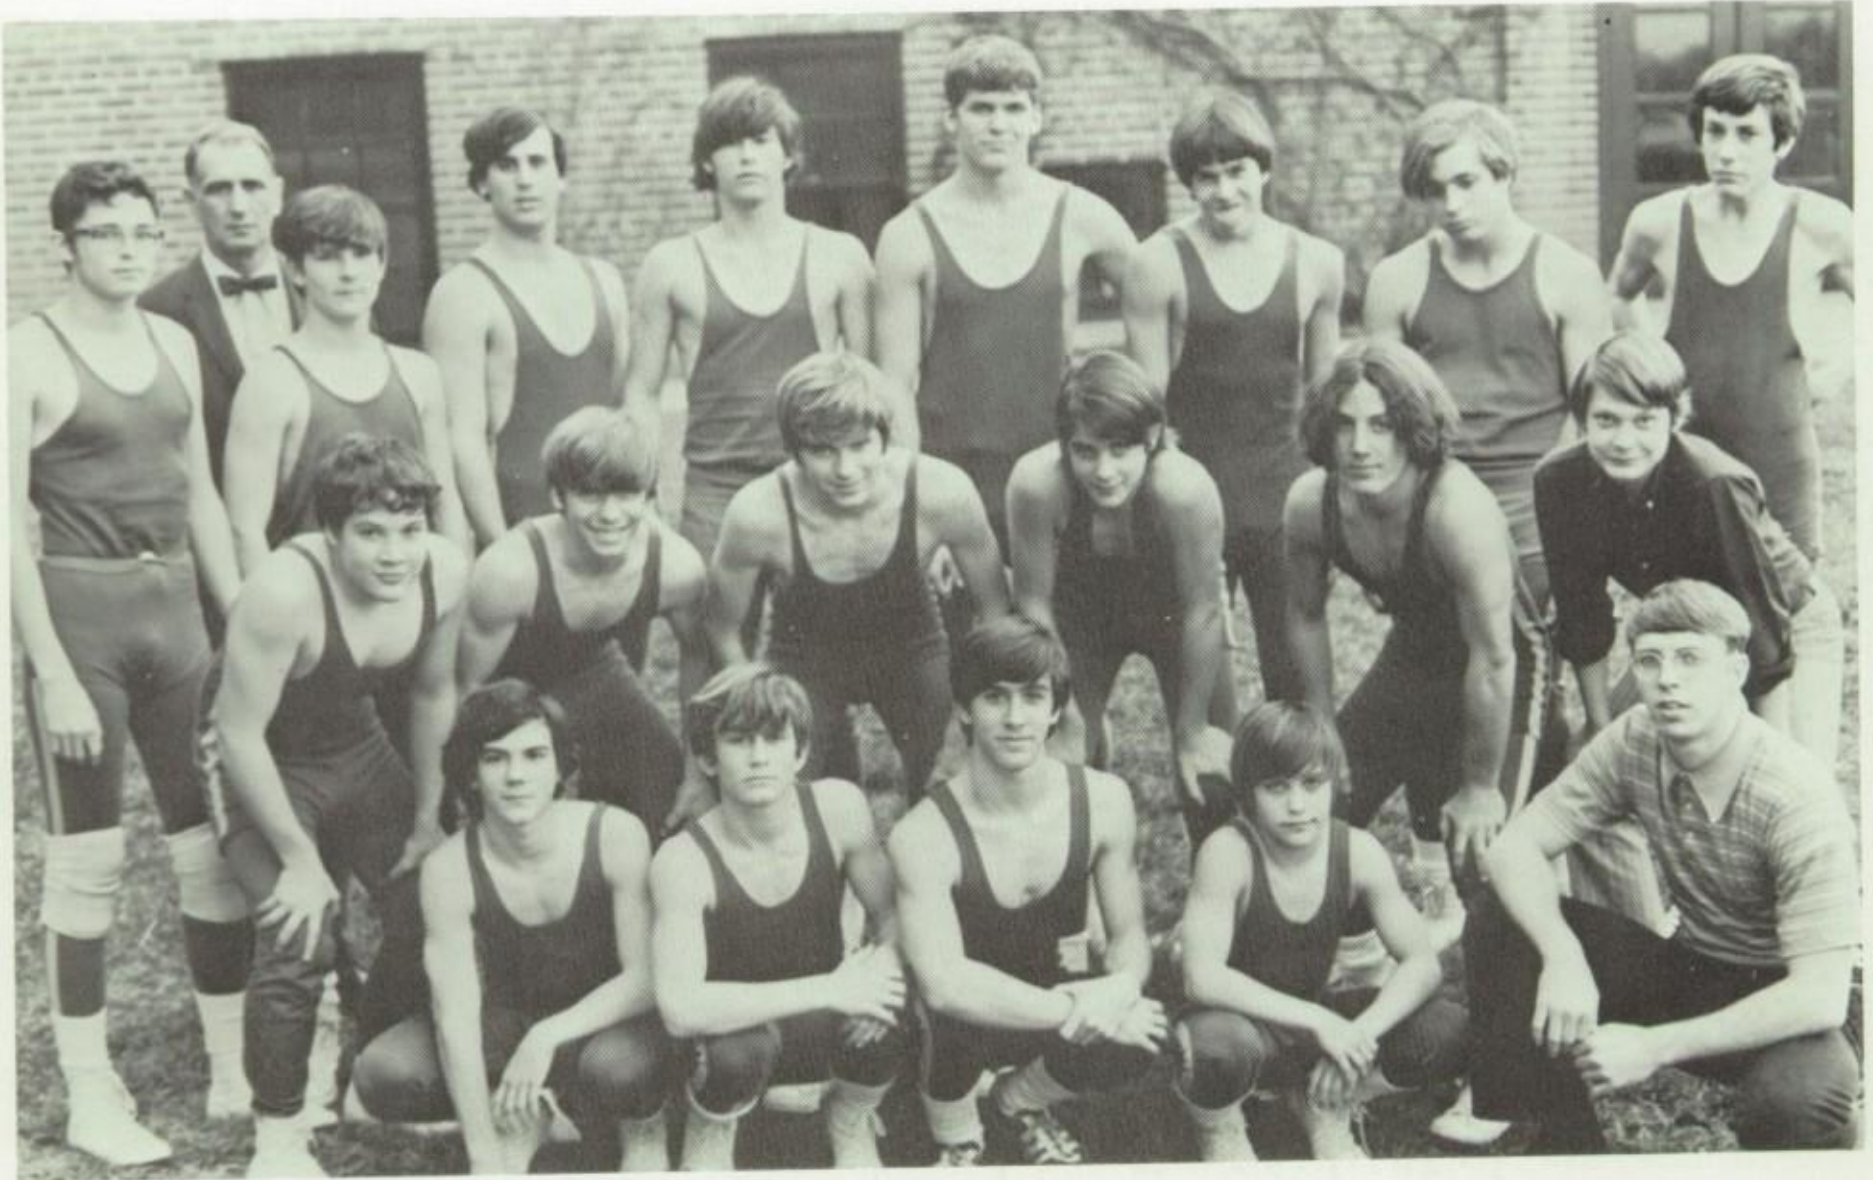

The "B" team this year was made up of several veterans and a few eager newcomers. Their first game was an exhibition game with Clayton, which was a little unstable with the new zone defense, but ended up with a victory, 52-15. The next encounter, with Villa's fast-moving, quick-shooting offense resulted in a loss of 34-23. The following two games against Principia and Lutheran North were well-played, organized games, with wins of 38-20 and 60-23, respectively. The game with Nerinx Hall resulted in a disappointing defeat with a score of 43-10. The "B" team's toughest game was with their rival, Mary Institute. The close score of 34-30 showed that the "B" team played with greater skill and spirit. The next three games against Ladue, St. Joseph's Academy, and St. Elizabeth's Academy were all defeats, with scores of 43-24, 53-16, and 26-19, respectively. In the next game with Lutheran South, "B" team was rewarded for all their effort, with a 23-14 victory. The team continued this winning streak with an excellent 30-10 victory over Sacred Heart in their last game.

The team would like to thank the coaches for their fine coaching and enthusiasm.

As a result of a poor season last year the Bombers had highhopes of a winning record. With the return of such greats as Artie Shanfeld and the strike out king Kent Hightholt, the prospects looked good. Then Reed Boles discovered Coach Ulmer . . . A 0-17 record is nothing to be proud of, but at least it leaves room for improvement. Congratulations anyway to Dave Early for making first team All ABC League, and to John Cissel for batting over 300. Good Luck next year Bombers.

The girls 1971 tennis varsity, under the coaching of Miss Susan Lowell, had a season of three wins, two losses, and two ties. Burroughs faced tough competition against Mary Institute losing 8-1 and Villa Duchense, losing 6-3. Terry Carp was victorious in both of these matches playing first singles. Leslie Shelton, second singles, and Robin Edison and Nancy Bishop, the team's first doubles both won their matches in the Villa meet. The varsity slowly recovered from these defeats by beating Clayton, 8-0, Ladue, 7-1, and Whitfield, 3-2. In these matches the entire team displayed excellent talent and good sportsmanship. Principia and Nerinx Hall provided tough competition, but the J.B.S. tennis varsity held out for two well fought ties.

Many of the team members were ninth and tenth grade prospects. Juniors Liza Bauer, Nancy Bishop, Robin Edison, Betsy Jackson, Sally Knight, and Leslie Shelton contributed strong moral and physical support to the well being of the team.

Track

1st ROW: Trotter, Butler, Carter, Seddon, Farmer, Mr. Witscher. **2nd ROW:** Hanger, Smith, Rahn, Baker, Edison.

The 1971 Track season was characterized by personal achievement rather than team success. The team failed to win a dual meet all year due to the weight-men failing to win more than 3 points all year, and a lack of depth in the distance runners. As in the past, the team was strongest in the sprints, led by Chip Gerfen and Bobby Burke. Both recorded 10.0 second hundreds to set a new school record, and Burke set the record in the 220. The sprinters also re-wrote the mile relay record, and set a state record in the 880 relay.

To many of the team, the dual meet season was a warm up for the post season meets. Barksdale led the distance men, and with no leader the weight-men just sat around. The sprinters gained most of the points with Gerfen and Burke winning consistantly. Miller, Heidbreder, Kerth, and Bearman added second and third place points.

In the Clayton Invitational, Gerfen won the 440, Burke won the 100, Miller took 2nd in the long jump, and the relay took the 880 relay, the mile relay and 2nd in the 440 relay.

In the District Meet, Burke and Gerfen qualified for state in the 100, Burke and Kerth qualified for the 220, and Gerfen and Heidbreder in the 440. The mile relay team won easily, and the 880 team lost for the only time to South.

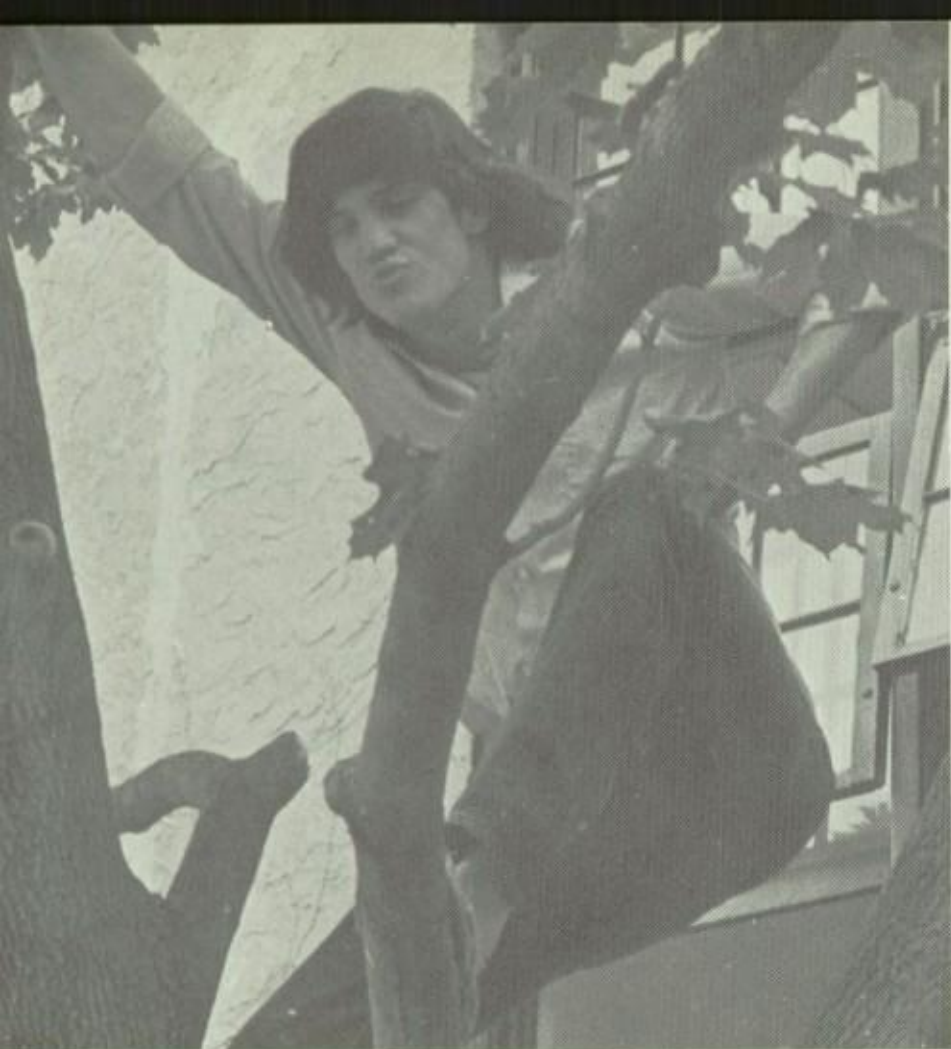

In the State meet, the individuals were blitzed by some speedy out-of-towners and shut down by poor officials. The mile relay team of Miller, Heidbreder, Kerth, and Gerfen took 4th place. The 880 relay took great pleasure in cramming it down South's throat, as they took 1st place and set a new state record.

Golf

The 1971 varsity golf team had a very encouraging season. This team, with all of its members returning in 1972, came within one match of being ABC Co-Champions. The highlights of the season were, the victory over Champion Country Day at Bellerive, and the near one hundred stroke victory over Lutheran South. All the team members showed great potential with Phil Rahn leading the team. Rahn's consistent playing made him a favorite of the fans, and a frequent medalist. Other medalists during the season were, Larry Smith, Peter Edison, Tad Carter and Andy Baker. In addition to these players, Corky Hanger, Rick Pershall and Bill Farmer displayed strong golf games. The great depth of this young team makes them a good bet for the league championship in 1972. The reason that the golf team did not share league honors with Country Day, was the match against Western Military, at Western. Without several of the team's top players the Bombers dropped a match they should easily have won. This was the team's only weak match of the season. The team played well against two powers, C.B.C. and DeSmet, losing by only eight and three strokes respectively. In the district tournament the Burroughs team did not do well despite strong showings by Rahn and Smith. 1971 was an up and down year for a very young and enthusiastic team. Under the watchful eye of Mr. Witscher, the golf team is destined for greatness.

One Day,

we'll be governed
by people your age!

Look around you. In 20 years some of the faces you see now may be recognized by millions. When that day comes, you and your classmates will be making many of the important decisions in industry . . . in our school systems . . . space program . . . government.

Seems incredible that it could happen in such a short time, doesn't it? But you'll be ready. Because between now and then you'll get a lot of practice handling new responsibilities. College. Career. Marriage. Children. A hundred varieties of financial responsibilities.

If you haven't already, drop by for just a few minutes. Let us show you what we can do for young people like yourself. It's never too early to have your own bank.

Sincerely yours,

The County National
